

# General School of Science Requirements for a BA or BS Degree in Psychology

1. A minimum of 124 credit hours must be completed. Approval must be obtained from the Associate Dean for Academic programs and Student Development to use as a credit toward graduation any course that was completed 10 or more years previously.
2. A minimum grade point average of 2.0 is required.
3. A minimum of 40 credit hours of psychology courses must be taken with a minimum grade point average of 2.0. No grade below C- is acceptable in a psychology course that is taken to fulfill a requirement.
4. At least four courses totaling a minimum of 12 credit hours in the major subject must be completed at IUPUI (see departmental requirements).
5. Residence at IUPUI for at least two semesters and completion, while at IUPUI, of at least 32 credit hours of work in courses at the 300 level or higher are required.
6. With the approval of the associate dean for academic programs and student development, students who have had at least four semesters of resident study may complete up to 15 credit hours of the senior year at another approved college or university.
7. Courses taken on the Pass/Fail option may be applied only as general electives and not toward degree area requirements of the school or department.
8. No more than 60 credit hours earned in accredited junior colleges can be applied toward a degree.
9. Students may enroll in Independent Study (correspondence) courses for general electives up to a maximum of 12 hours with permission of the associate dean for academic programs and student development.
10. With permission of the appropriate department, credit may be earned through special credit examination. Credits earned by special credit examination may be used toward the total credit hours required and to satisfy area requirements for a degree.
11. The following courses do not count for any credit toward any degree program in the School of Science: AGR101; BIOL N120 (except N120 The Biology of Mental Illness, which can be taken for elective credit by psychology majors); CSCI N100-level courses; all Indiana University remedial and developmental COAS courses; EDUC U205, X100, X150, X151, X152; ENG W001; MATH M010, 01, 002, 111, 123, 130, 132; and PHYS 010. Note that CHEM C100 may count for general elective credit if the student has not already established credit in CHEM C101 or CHEM C105/C106, or equivalent courses.
12. No more than 6 credit hours of studio, clinical, athletic, or performing arts course work will be approved as electives.
13. An application for a degree must be filed with the recorder of the School of Science, Science Building, Room 222, by October 1 for May graduation, by February 1 for August graduation, or by May 1 for December graduation. Candidates for December, May or August graduation of a particular academic year may participate in the May Commencement. Students should also be registered in the appropriate section of CAND 991 (0 credits) during their final semester before graduation. See the schedule of classes for listings on CAND 991, Candidate for Graduation.
